

A Great Place to Branch out and Grow!

# MAPLETON COMMUNITY DAY! SATURDAY, AUGUST 25, 2012

Mapleton Community Day has been scheduled for August 25th, with the volunteer Fire Department capping off the night with their dance fundraiser at Hagge's Bar. Several family activities have been planned through out the day, however we need help from Volunteers to make these events run smoothly.

**Bounce House/inflatable game and Dunk tank supervisors, Ice cream social workers, Kickball referees, and set-up/tear-down helpers are needed.**

Please contact a committee member today to sign up to volunteer.
