Phase I: usable park space with parking, infrastructure, grading, grass, etc. Phase II: will be equipment and shelters. Will look into tree planting grants for the fall.

**Maintenance:**

- There is enough staff for mowing.
- Prairie View border needs to be redone - will need to remove sand, straighten boards, and put sand back in. Also need to remove monkey bar, balance beam, and sand box. Sand from sand box will be added to the volleyball field, and new volleyball nets need to be put up. Need to determine how many people will be needed for these projects then ask for volunteers.

**Activities:**

- Baseball - started Monday. Garage is cleaned out. We have a lot of chalk - will check with Casselton to see if they want to buy some. Mandi and Donna will hang up plastic in concession shed and maybe shift mowers over. There are 2 totes of miscellaneous baseball stuff that will be put out the first couple of games that people can take if they want. There are 10 home games. Donna will order concession items online.
- Garbage pick-up - Garbages have been brought to City Hall for garbage pick-up. Can we contract to have it picked up for three months?
- Mapleton Days - discussed hosting on Thursday and Friday nights, September 9<sup>th</sup> and 10<sup>th</sup>. Ideas included car/vendor show with bouncy house, 50/50 raffle, and food trucks on Thursday and a family fun night including bingo/games from 6-8pm and movie in the park on Friday night. Possibly sell food like hot dogs/taco in a bag. Donna to let Hagge's know in case they want to do anything.
