Ashmoor Park - Meeting 7/20, Grants: Jennie will be at City Hall at 5:30 on 7/20 to set up. Grant discussion was tabled for now, Jennie will keep investigating.

Maintenance - Prairie View/Christensen (wasps):

- Resident found wasps in Christensen sandbox but Jennie couldn't find them and didn't want to Raid the entire box out of safety concern.
- Jerry presented an estimate that would fix the tire problems on the mower by replacing current back tires with airless ones. The airless tires are \$599.99 each. City of Fargo and Casselton have these tires. Donna will see if they can be purchased online at a cheaper rate. Mandi would like to see what warranty they may have. Jerry mentioned we could foam fill the tires as an alternative, but they become too hard.
- Mowing has been slow

- August clean-up/park improvements - will need to do before Mapleton Days. Try for August 1st at 10am at Prairie View. Jerry can go night before to push rocks away and remove sandbox. Encourage volunteers to bring shovels, garden tools, gloves, and a good work ethic.

Activities/Mapleton Days: Car show - Mandi talked to City about permit for street closure, Jerry will move tables. Jumbo's food truck was the only truck that responded, Park Board will sell tacos. Considering Sno Cones from Matt Bruesch, or can we rent the trailer from Matt? Does PTO want to do rootbeer floats if Matt doesn't do sno cones?

Dunk tank - ask about Sheriff's foundation? Donna can do it if food is covered.

Park Board will host kids bike decorating contest during car show. Themes will be school pride, best in show, and most creative. People can donate \$1 to park board to vote. Will finish at 7pm with bike parade.

Hay rides? Donna will check on insurance for Friday at the park. Friday games will be from 5:30-7:30 with movie at 8pm. Park will be fogged if needed. Donna will take care of food.

Saturday - park board possibly doing something
