New Business:

Happy Days-the park board is still finalizing exact games and is working with the Happy Days committee to finalize all details. More info to come. The next meeting is scheduled for June 29.

Baseball- the season is half over and going well. Concessions sales have been good, even with a few cancelled games. We are hoping to finish strong in the rest of June. The Mapleton Squirts will be the Red Hawks DQ featured team on July 13. We will be inviting all players and family to attend the game that night and support our Squirts. Tickets will be available through the park board for \$9. The deadline to purchase these tickets will be \$9 for a seat in the reserved section. See the park board for more details. The end of the season picnic will be July 14 at 6:30 at the ballfield. The park board will provide the water and hot dogs and ask each players family to bring a side; please see your coach for details. The roof for the dugouts will be finished in the upcoming week.

Summer Maintenance-still looking into security cameras and what is the best option for our needs. Vandalism seems a bit better in Maple Pointe, if you witness vandalism please call the sheriff. And trimming is in full swing. The paint for the shelter in Prairie View and Christensen Parks has been purchased and we will be painting them in July. The baseball shed needs to be repainted as well, and the garage door needs to be replaced. Jerry and Amanda are getting prices for these projects and will bring the info to the next meeting for a motion to be made. Mowing and trimming will continue to be busy until August. The field will need to be maintained thru the end of June.

Halloween-Amanda will check with Mr. J to confirm a date for the Halloween party which will be held at the school this year. More info to follow, as we finalize details.

Open Discussion-Donna and Amanda met with Harold Rotund to perform an audit of the Park Board finances for 2013-2016. He will be providing us with a report, details of that report will follow. Election

results will be official on June 20, and the Park Board will call a special meeting to get the new park board members up to speed. That date is to be determined after the final paperwork is completed.
