

## Mapleton Park Board Meeting Minutes

May 8, 2024

Call to order at 6:30p.

1. Read and approve agenda and minutes – 1<sup>st</sup> by Mandi, 2<sup>nd</sup> by Kyle
2. Treasurer's Report/Bills – No bills currently. There is \$76925.31 in Ashmoor account and \$123109.83 in general account.
3. School Board – Jenna Farkas, school superintendent/principal present at meeting to discuss land behind the old school. She wanted to touch base about the land and discuss a potential trade of land (land behind old school for the park land north and northeast of the school). She also would like us to give her an actual asking amount for the park land by the school so they know what kind of numbers they're looking at. We would be looking at selling the school the land that is the east end of Christensen park and the land north of the baseball fence. We will get back to them about price on the land as well as if we would be interested in the land behind the school. Land trade will be discussed at June meeting.
4. Lucas Potter/Events4All – Lucas Potter present to discuss park rental and events that he advertised on facebook. He gave us a list of events that he would like to do, some require more than just permission from the parks. Parks needs to update their park rental agreement/find out if we even have one.
5. Eagle Scout Project – local boy scout looking for ideas/permission for his Eagle Scout project. We tossed around some ideas that Jennie will let him know about.
6. Ashmoor Park/Moore Engineering – Moore was in touch about what we would want for grass at Ashmoor. We looked at the options available and wondered if we could do our own mix? Jennie will reach out to Brandon.
7. Activities/Maintenance – Donna will get concessions. Practices start in a week, games at the end of May. Helmets have been ordered, shirts will be ordered soon. Registrations keep rolling in and that makes it hard to get an accurate count on baseball uniforms needed.

Adjourn at 7:58p.

July 10 – Next Park Board meeting

June 14, July 9 – City Council meeting
