

Mapleton Park Board Meeting Minutes

January 18th, 2023

Meeting called to order at 6:29pm.

1. Approval of agenda and minutes – motion made by Mandi, 2nd by Donna
2. Treasurer's report – final tax statements came in
3. Maintenance Updates – looked over bid from Johnson's Lawn. Discussion about doing all parks except Ashmoor, as developer is still under contract to do maintenance for that. To maintain similar cost from year to year, maybe alternate parks? Motion made for spraying of Christensen, Prairie View and baseball field by Kyle, 2nd by Mandi.
4. Activities – we had 6 people enter the winter snow contest. Decision made to give all participants a prize. Baseball will be starting up soon – need to get registration form ready/make necessary changes. Will need to take stock of what we have for equipment, but likely we need more equipment so there is enough to divide amongst teams.
5. Ashmoor – Mandi will post a survey monkey looking for ideas for amenities. Kyle will look into grants and deadlines for them. We will compile information at next meeting and look at a timeline for moving forward with Phase 2 of Ashmoor Park.

Meeting adjourned at 7:05 – motion made by Donna, 2nd by Kyle
