

Mapleton Park Board Meeting Minutes

June 21, 2023

Meeting called to order at 6:30pm.

1. Approval of agenda and minutes– motion made by Mandi, 2nd by Kyle
2. Treasurer’s report – bills to be paid: BSN Sports supply, Gordy’s , payroll, insurance, portapotties. Mandi makes the motion, Kyle 2nd. Ashmoor account currently has \$78284.51, General account \$91143.02.
3. Maintenance Updates – need new mower blades
4. Activities – baseball ends soon, start looking towards fall activities. Discussion on Family Fun Night for Mapleton Days (Friday, September 8). Will send out sponsor/fundraising letters and start looking into inflatables.
5. Ashmoor – We have until the end of June for correction orders. Currently we have found multiple (at least 5) dead trees that need to be replaced, as well as “prairie grass” that we are pretty sure is not prairie grass. Jennie and Donna met with Moore, etc and walked through park prior to meeting, bringing some corrections to their attention. Parking lot has some damage to it due builders in the area taking the liberty to of using it as an unloading and loading space for their heavy equipment. Nothing can be done unless we actually see them doing it and talk to them. While at their meeting, Tom from the city mentioned that he could help with snow upkeep – we will verify this at the next council meeting.
6. School Board Land Proposal – discussion on if/which part of land surrounding/behind the school to sell to the school. Motion is made by Mandi, 2nd by Kyle to move forward with considering the land sale. Which part will be sold will be decided at a later time.

Meeting adjourned at 7:44p. – motion made by Donna, 2nd by Mandi

****Mandi will attend July City Council Meeting****
