Normal agenda Council events followed. Misty presented the information she obtained on the theoretical value of the tentative “cash in lieu of land” agreement between the Maple Grove 2nd developer and the Council, on behalf of the Park Board. At 7pm the developer arrived at the meeting. Shanna and Misty went out to greet him and introduce themselves, since they had not met. Jerry came out briefly but was sent back inside the meeting. No 3 party Park Board discussion was had. Misty caught the developer up to date on the information she presented previously in that meeting to the council. They came to an agreement that \$42,500 would be a fair price for the cash in lieu of land agreement. Shanna and Misty shook the developer’s hand, and thanked him for taking the time to meet with them. Misty left the meeting at that time, Shanna and Jerry stayed. End of quorum.
