

Mapleton Park Board – Meeting Minutes

March 19, 2013

The meeting was called to order at 6:37 pm. Marcy was unable to attend, so the meeting commenced in her absence.

Old Business:

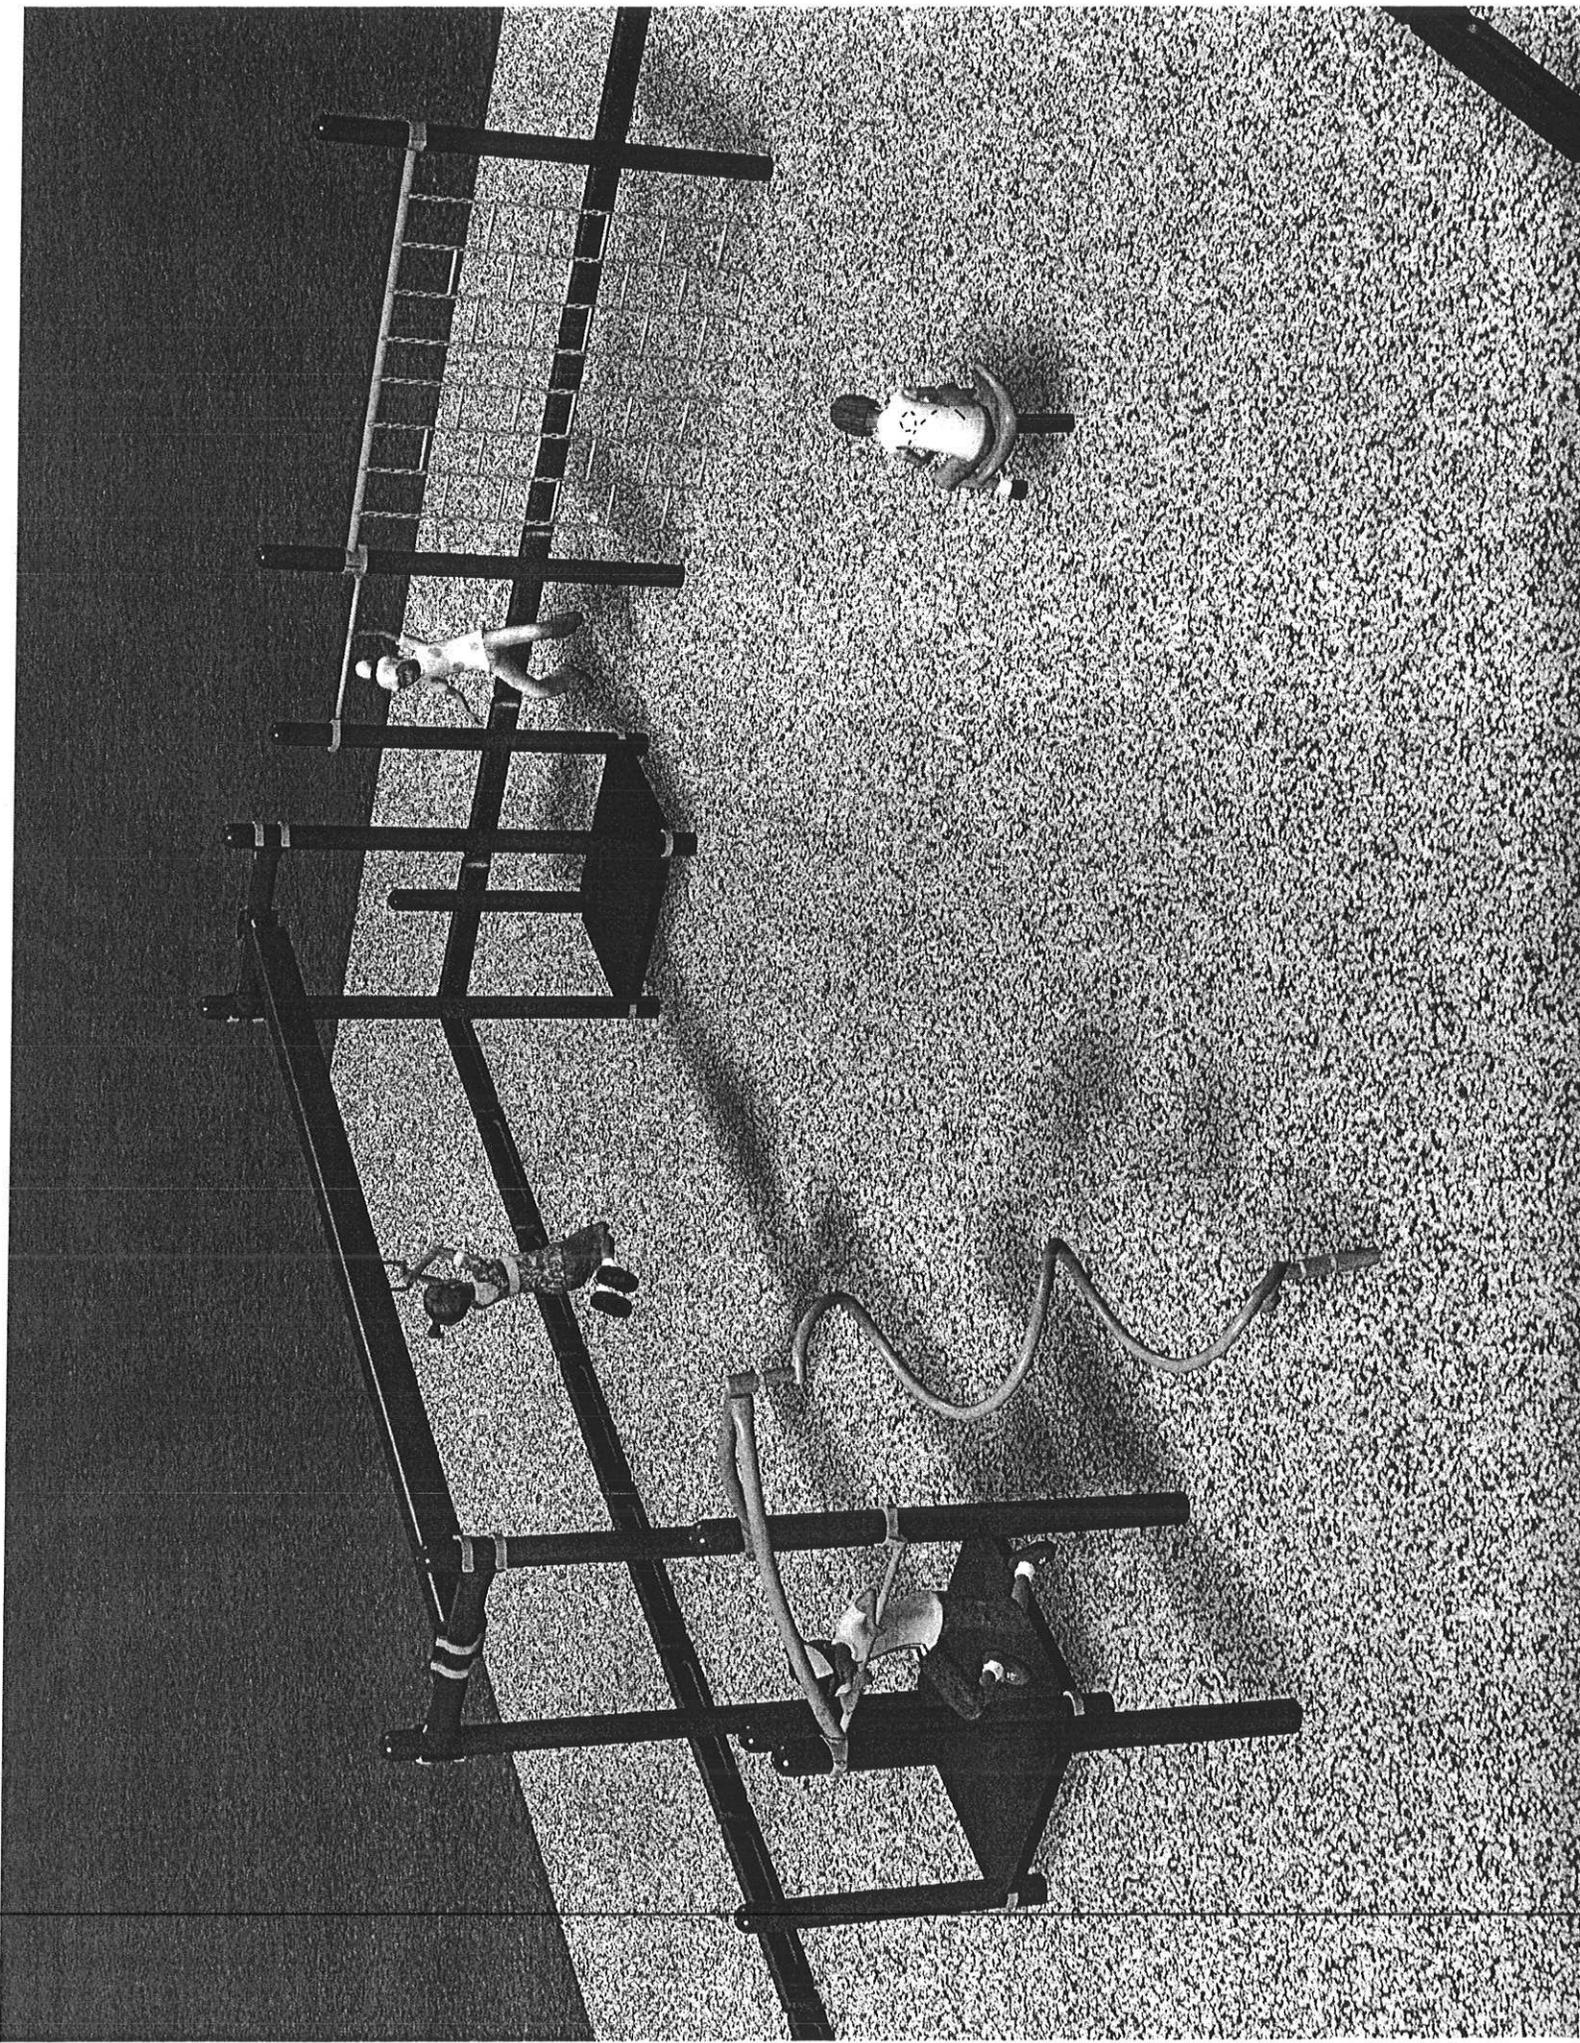

- The Easter Egg hunt date was discussed due to the presence of snow. Alternatives are set as placing the eggs in the community center instead of outside in the snow drifts. The date will remain the same.
- The 2 picnic tables have been purchased- both green rectangles for a total cost of \$1386.26. We are still in the process of ordering two round ones.
- The volleyball net has been purchased for the North Park, park board will put up in the spring. Total cost was \$125.79.
- Dodge balls were purchased. 4 sets of 6 for a total cost of \$255.00.
- Two complete standard soccer nets were purchased for the North Park for a total cost of \$98.58.
- The Baseball/T-Ball discussion was tabled until Marcy's return.
- The Playground Equipment purchase for the North Park was tabled until the next meeting. Different types of equipment were decided upon and the next step is to solicit bids for work. The purchase of new garbage bins was also discussed and was tabled until the next meeting.
- A motion was made by Misty to purchase bike racks for the parks with an estimated cost of \$1600. Mario seconded the motion and it was approved by the board. We are looking at two 11-bike racks and three 5-bike racks. Park Board will install once purchased.
- Bills and Finances were not discussed at this time and will be readdressed at the next meeting when Marcy returns. Park Board members were paid for the quarter in the amount of \$200 each.
- Open gym was a huge success; more kids attended than expected with an amount over 40 kids. More Gatorade was purchased from Gordy's.

- Community Days ideas were presented. A collaborative meeting will be held on 3/21/2013 with the Fire Department and City Office to discuss group contributions. Park Board is looking at hosting its part in the North Park from 1-4 pm with games and potentially a kids band/DJ in the park from 7-9 pm with popcorn and juice.
- Park Board was contacted to contribute to the Fire Departments Party in the Park, 4/11/2013. This discussion will continue as more details become available and all board members are present for discussion.
